ABOUT ME

Enthusiastic about building immersive user experiences, I am familiar in frontend development and I have a solid understanding of Python and Java. My journey in software development has equipped me with the skills to translate complex requirements into elegant, efficient code. Let's connect and collaborate to bring innovative ideas to fruition in the ever-evolving world of technology

EDUCATION

2023 - 2027

Vellore Institute of
Technology

Bachelor of Technology, Computer Science Engineering (AIML)
Current CGPA: 9.08

2018 - 2023

Akshara Vidyalaya

High School

Scored 96%

EXPERIENCE

Mar 2024- Present

iSpace VITCC

Operations Team Member

As an Operations Member, my role is to keep things running smoothly every day. I make sure tasks get done on time, help improve how we do things, and work with different teams to make sure everyone's on the same page. I pay close attention to details to make sure everything works as efficiently as possible.
